

Yard Debris & Food Waste Collection

Acceptable Materials

Grass Clippings

Leaves

Branches

Plant Trimmings

Weeds

(All the above items should be no more than 2 inches in diameter and 36 inches in length)

Fruit/Vegetable Scraps

Meat

Bones

Dairy

Egg Shells

Tea Bags

Coffee Grounds

How Does It Work?

Yard debris and food waste service is offered within city limits. Please see the acceptable materials (above) that can be placed in the yard waste cart. Keep yard debris and food waste loose in the cart; do not compact material. Do not put yard debris in plastic bags.

When Is Pickup?

Please visit RepublicServices.com/centraloregon for more information regarding your collection dates.

Food Waste Kitchen Pail

If you would like to receive a food waste kitchen pail, please email RepublicServicesCentralOregon@RepublicServices.com.

Curbside yard debris and food waste collection service not available in all areas. Visit our local office or call for more information.
