

Sustainability in Action

Welcome to Republic Services! As one of the nation's largest environmental services companies, we provide recycling, solid waste, special waste, hazardous waste and dumpster rental. We're committed to making this transition as seamless as possible for you. Below are a few ways to pay:

- Sign up for online bill pay through [RepublicServices.com](https://RepublicServices.com) or use the QR code to sign up and see the convenient ways to manage your account and payments online. See your invoice for your new account number.
  - If enrolled in auto pay with Benfield Sanitation, you will need to set up a new online account at [RepublicServices.com](https://RepublicServices.com) and re-enroll.
- By Mail: your remit details are included on your invoice for easy mailing.

Setting up your online account with Republic Services is easy!

1. Visit [RepublicServices.com/Account/Signup](https://RepublicServices.com/Account/Signup)
2. Under "Create your online account", enter your first name, last name and email, then choose your account password. When complete, select "Sign up."
3. If you've used the email already associated with your account, it will be linked, and you can log in to your Republic Services online account.
4. If you've chosen a different email, you have just a few more simple steps:
  - Select "Link "account"
  - Enter your new Republic Services account number (insert a starter number for customer to use). This is a unique number.
  - Select "Verify account"

We appreciate your business and look forward to continuing to serve you and the community.

Please visit [RepublicServices.com](https://RepublicServices.com) for more information and future updates.
