# Industry-Leading Oil Spill Removal

---

NRC, a Republic Services company, was established in 1992 to support the compliance needs of customers following the Oil Pollution Act of 1990 and has grown to become the leading commercial oil spill removal company.

Responding to more than 10,000 emergencies and oil spills annually, we manage onshore and offshore incidents of any size or scale and stand ready to serve you.

Republic Services is a leader in environmental services. Through the acquisition of several specialized companies including NRC, we now offer customers comprehensive Environmental Solutions, including oil spill removal and compliance.

## Oil Spill Response and Compliance

- OSRO regulatory compliance
